

play helps

How do I play?

1. The link in your confirmation email allows a team of up to 6 people to join the game. Note: You will need to play on a computer or laptop the game is not for phones or tablets.
2. **Important!** Once clicked the link is valid for 24 hours, so please do not use it until you are ready to play.
3. Set a date to play with your team and connect up together using any communication software. Zoom, Facebook rooms, Skype, WhatsApp, or whatever works for you. A video connection is not essential, but you need to be able to communicate with each other during the game.
4. When you are ready to play share the link with all of your team. Visit the link enter your player name. On the next screen, you will be able to see who has joined the game, once the whole team is present, click "Start" to enter the game.
5. Each player will now be able to see the game screen click on the question mark for further info on how to play.
6. Solve the case and save Christmas!

If you have trouble with your internet connection you should deactivate video in your chat program.

Please note: This link is only valid for one game so only share it with the players in your team, if you think someone else would have fun playing please send them to the Sara Lee website.
